

Federico Berra

Country Manager CA Auto Finance Suisse

Federico Berra is Country Manager and Managing Director of CA Auto Finance Suisse, reconfirming the role he has held at FCA Capital Switzerland since November 2021.

He started his career in 2000. After an experience as trainee with Telecom Italia Lab, in 2001 he worked in the banking sector for Centrale dei Bilanci, where he was a financial analyst until 2004. He joined Fiat Group Financial Services in the Finance department until 2010.

After holding different positions in the financial risk management and treasury in the holding company, in 2010 he became director of FCA Capital Ireland and FCA Capital Re in Dublin. In 2013 he became Finance Manager of FCA Capital in Schlieren, Switzerland and was appointed Country Manager one year later, maintaining the position until 2019.

In the same year he became Country Manager and CEO of FCA Bank Germany, a position that he held until 2021, when he returned to Switzerland.

Federico Berra was born in Saluzzo (Italy) in 1976. He holds a degree in Economics and Business Administration from the University of Turin.
