Turin, April 24, 2024

Drivalia, the rental, leasing and mobility company of the CA Auto Bank Group, has been selected as **the mobility partner of the G7 Climate, Energy and the Environment**. The international summit, led by the Italian Presidency, will bring together the ministers of the most industrialized Countries and of other important Countries as well as representatives of International Organizations at the **Reggia di Venaria Reale (Turin), from April 28 to 30**, to discuss the future development of renewable energy and the achievement of environmental goals.

As mobility partner, **Drivalia will support Maserati** – maker of the Grecale Modena, the official car of the G7 - by providing the organizers of the event with a **fleet of 14 cars from the House of the Trident**. The cars, which perfectly represent Maserati's 100% "Made in Italy" elegance, style and design, will be used to transport ministers, and representatives of participating international institutions.

The many guests to the G7 meeting at the Venaria include ministers from Italy, France, Germany, Canada, the United States, Japan, the United Kingdom and the relevant European Commissioners, as well as the UAE in its role as COP28 Presidency, Azerbaijan as Presidency of the upcoming COP29, Brazil as the rotating G20 presidency, and high-level officials from Saudi Arabia, Mauritania (as the rotating African Union presidency), Kenya, Algeria, the African Development Bank and various international organizations.

*"We are proud to have been chosen as the mobility partner of the G7 Climate, Energy and Environment. We will strive to provide a superior mobility experience to world leaders," said **Giacomo Carelli, CEO of CA Auto Bank and Chairman of Drivalia**. "Drivalia's involvement confirms not only the company's high standing in the industry, but also our ongoing commitment to promoting sustainability and innovation in the mobility sector".*

### **Drivalia**

*Drivalia, a rental, leasing and mobility company of the CA Auto Bank group, provides a full range of mobility solutions, from electric car sharing to innovative car subscriptions and rentals of all durations. Drivalia deals with all-round mobility, offering innovative mobility plans that combine flexibility, a digital experience, an on-demand approach, and sustainability. In June 2019, the Company launched the Mobility Store network, physical outlets where customers can have access to all its mobility services. With the opening of the first fully electrified Mobility Store at Torino Caselle airport in 2020, followed by many others, Drivalia has become a leading operator in sustainable mobility. In fact, thanks to the more than 1,600 charging stations installed at all its stores to date, the Company has the largest private electrified network in Italy. The electrification process will proceed in all the European countries where Drivalia operates also in 2024.*
