

## Drivalia renews its partnership with Turismo Torino e Provincia for 2025

**Drivalia**, the rental and mobility company of the CA Auto Bank Group, renews its partnership with **Turismo Torino e Provincia**, the official organization responsible for promoting tourism and hospitality in the Piedmontese capital and its surrounding areas, for 2025.

As part of this collaboration, Drivalia will continue to support the Tourist Board by providing a selection of **low-emission vehicles** from its fleet. This initiative aims to promote shared and eco-friendly mobility, reinforcing Turin's reputation as a premier destination for cultural, sports, and nature tourism, as well as the city where the Group is headquartered.

Drivalia aspires to be a leading player in Europe's new mobility landscape, offering an ecosystem of **innovative and tailored services**. Its offerings range from electric car sharing to flexible subscription plans and short-, medium-, and long-term rental solutions. With a dynamic and digital-based approach, the company champions a model of mobility that is accessible, sustainable, and adaptable to users' evolving needs.

**Drivalia**

*Drivalia, a rental, leasing and mobility company of the CA Auto Bank group, provides a full range of mobility solutions, from electric car sharing to innovative car subscriptions and rentals of all durations. Drivalia deals with all-round mobility, offering innovative mobility plans that combine flexibility, a digital experience, an on-demand approach, and sustainability. In June 2019, the Company launched the Mobility Store network, physical outlets where customers can have access to all its mobility services. With the opening of the first fully electrified Mobility Store at Torino Caselle airport in 2020, followed by many others, Drivalia has become a leading operator also in sustainable mobility. In fact, thanks to the more than 1,800 charging stations installed at all its stores to date, the Company has the largest private electrified network in Italy. The electrification process will proceed in all the European countries where Drivalia operates also in 2025. For more information:*
