Turin, 30 May 2025

CA Auto Bank, the mobility bank controlled by Crédit Agricole Personal Finance & Mobility, has signed a new strategic agreement with Olmedo Special Vehicles, a leading company in the outfitting of special vehicles for the healthcare and accessible mobility sectors. Building on a collaboration spanning more than a decade, the agreement aims to deliver tailored financial solutions to facilitate the purchase of ambulances and vehicles equipped for the transport of people with disabilities. This initiative further strengthens CA Auto Bank's commitment to the healthcare mobility and medical vehicle sectors.

Thanks to this partnership, Olmedo's customers – both private individuals and industry professionals– will have access to flexible and competitive financing solutions provided by CA Auto Bank. These include both traditional installment loans and leasing options, thus making it possible to adapt the acquisition methods to different financial and operational requirements.

The agreement, active across Italy, also involves the entire sales network of Olmedo Points, located throughout the country, from North to South. Thanks to this solid commercial infrastructure, customers will have easier access to CA Auto Bank's financial solutions, benefiting from a tailor-made service designed to meet their specific needs and ensure a smoother and more attractive purchasing experience.

Olmedo Special Vehicles is one of the most successful Italian enterprises in the special vehicle outfitting sector, standing out as a leading player both in its home country and in Europe as a whole. Founded in 1951, the company has made continuous innovation the hallmark of its growth. Driven by a strong commitment to quality, safety, and research, Olmedo designs and manufactures cutting-edge outfitting solutions for ambulances, vehicles for the transport of people with disabilities, and other special vehicles.

"The agreement with CA Auto Bank represents a significant opportunity to expand access to our outfitted vehicles, offering customers tailored financial solutions that facilitate purchasing, both for professional and personal use. The special mobility sector requires not only technologically advanced vehicles but also adequate financial solutions, and this partnership allows us to combine the best of both worlds," said Luca Quintavalli, CEO of Olmedo Special Vehicles.

PRESS RELEASE

"This agreement marks an important step in strengthening our commitment to the special vehicle sector. Supporting accessibility and mobility for healthcare and assistance professionals means contributing to an essential service for the community. With Olmedo, we share the desire to offer innovative and sustainable solutions, making available financial instruments that simplify the purchase of specialized vehicles," said Giacomo Carelli, CEO of CA Auto Bank.
