

Drivalia is the Official Car Rental Partner of the Giro d'Italia Women 2025: the mobility of the future alongside the champions of international cycling

Turin, July 02, 2025

Drivalia's passion for great cycling continues. After serving as **Official Car Rental** partner for the 108th edition of the Giro d'Italia — which began on May 9 in Durrës and concluded on June 1 in Rome — the CA Auto Bank Group's rental and mobility company announces its partnership with the **Giro d'Italia Women 2025**. This choice reaffirms the brand's strong connection to the world of sport and its ongoing commitment to supporting international cycling and its champions.

The 2025 edition of the Giro d'Italia Women, the world's most prestigious and storied stage race in women's cycling, will take place **from July 6, starting from Bergamo, to July 13, finishing in Forlì**. Now in its 36th edition, the race draws the top athletes from the international cycling stage and captivates millions of fans worldwide.

By partnering with the Giro d'Italia Women, Drivalia proudly supports one of the most important events in the cycling calendar, while fully embracing the values of tenacity, passion, and teamwork that define the sport.

To celebrate the event and bring fans closer to the action, Drivalia is offering a **15% discount** on the rental of electric cars from its fleet, valid for rentals from June 30 to July 13, for pick-ups from July 5 to 14.

Drivalia

Drivalia, a rental, leasing and mobility company of the CA Auto Bank group, provides a full range of mobility solutions, from electric car sharing to innovative car subscriptions and rentals of all durations. Drivalia deals with all-round mobility, offering innovative mobility plans that combine flexibility, a digital experience, an on-demand approach, and sustainability. In June 2019, the Company launched the Mobility Store network, physical outlets where customers can have access to all its mobility services. With the opening of the first fully electrified Mobility Store at Torino Caselle airport in 2020, followed by many others, Drivalia has become a leading operator also in sustainable mobility. In fact, thanks to the more than 1,900 charging stations installed at all its stores to date, the Company has the largest private electrified network in Italy. The electrification process will proceed in all the European countries where Drivalia operates also in 2025.
