

Drivalia takes center stage at the Fleet Europe Days 2025

The mobility company of the CA Auto Bank Group will feature a dedicated stand and two addresses by its top management.

Drivalia, the rental, leasing and mobility company of the Crédit Agricole Auto Bank Group, will take part in the **Fleet Europe Days 2025**, scheduled for **22 and 23 October** at **LuxExpo – The Box** (10, Circuit de la Foire Internationale, L-1347 Luxembourg-Kirchberg).

Organized by the international media outlet *Fleet Europe*, this premier European gathering is dedicated to corporate fleets and mobility — a key meeting point for experts, suppliers, and decision makers to exchange insights on the challenges and opportunities transforming the market.

This year, Drivalia will have an **active presence with a dedicated stand**, where it will showcase its vision of sustainable, connected, and accessible mobility. This aligns with CA Auto Bank Group's mission to promote a transition towards more flexible and responsible solutions.

Three key sessions not to be missed

During the Fleet Europe Days, Drivalia will participate in three highlight sessions:

- **22 October – 2:00 p.m.**
Roberto Sportiello, CEO of Drivalia, will speak on the panel *"The Battery's Second Life: How Cloud Analytics are Rewriting the Rules of EV Remarketing"*.
The session will explore the role of real-time data and digital certification in the development of the used EV market, showing how smart battery management can enhance transparency, trust, and residual value.
- **23 October – 10:30 a.m.**
As part of the **Village Road Show**, Drivalia will welcome visitors to its stand, where **Roberto Sportiello** will **outline** the company's strategy and its innovative solutions for the future of mobility in a dedicated session.
- **23 October – 3:50 p.m.**
Giacomo Carelli, Chairman of Drivalia and CEO of CA Auto Bank, will join the **CEO's Leasing Panel** within the session *"Delivering Value for Fleet Managers"*.
The discussion will bring together top executives from leading European leasing companies to unpack strategies that can generate value for fleet managers, focusing on resilience, change management, and innovation in a rapidly evolving marketplace.

Drivalia's participation in the Fleet Europe Days 2025 underscores its commitment to promoting a sustainable and digital mobility model based on technology, transparency, and customer value.

It will be an opportunity to engage with major industry players and exchange ideas at one of Europe's most prominent events for the mobility of the future.

Drivalia

Drivalia, a rental, leasing and mobility company of the CA Auto Bank group, provides a full range of mobility solutions, from electric car sharing to innovative car subscriptions and rentals of all durations. Drivalia deals with all-round mobility, offering innovative mobility plans that combine flexibility, a digital experience, an on-demand approach, and sustainability. In June 2019, the Company launched the Mobility Store network, physical outlets where customers can have access to all its mobility services. With the opening of the first fully electrified Mobility Store at Torino Caselle airport in 2020, followed by many others, Drivalia has become a leading operator also in sustainable mobility. In fact, thanks to the more than 1,900 charging stations installed at all its stores to date, the Company has the largest private electrified network in Italy. The electrification process will proceed in all the European countries where Drivalia operates also in 2025.
