

Drivalia runs alongside FIDAL as the new Mobility Partner of the Italian Athletics Federation

- The CA Auto Bank Group's rental and mobility company will provide the Federation with a fleet of zero-emission and low-emission vehicles.
- In addition, Drivalia will offer logistical support at major federal events, from national championships to the Golden Gala.

Turin, November 19, 2025

Sustainable mobility meets Italian athletic excellence. **Drivalia**, the rental and mobility company of the CA Auto Bank Group, today announced a new partnership with the **Italian Athletics Federation (FIDAL)**, becoming its **exclusive Mobility Partner** and Official Supplier.

Italian athletics is experiencing a golden age, marked by extraordinary achievements, including five gold medals at the Tokyo 2020 Olympics, a remarkable performance at the 2024 European Championships in Rome, two consecutive victories at the European Team Championships, and a record number of medals at the recent World Championships in Tokyo. These milestones are just a few of the successes of the past four years.

Drivalia's commitment will take the form of a **fleet of zero- and low-emission vehicles** to meet the Federation's mobility needs. The company will also provide **logistical support** at major federal events, including national championships and the Golden Gala.

The partnership is founded on a shared commitment to sustainability — a value deeply rooted in both organizations. Promoting more environmentally friendly mobility is not only a strategic objective but also an ethical imperative, fully aligned with the purity of athletic endeavor. This harmony between sporting excellence and innovation in mobility reflects a common ambition to encourage a more dynamic, mindful, and responsible lifestyle.

*"We warmly welcome Drivalia to the athletics family", said **Stefano Mei, President of FIDAL**. "Having a high-level mobility partner is essential to support the logistics of our flagship events, from the top national championships to the Golden Gala. Access to a modern, efficient, low-impact fleet allows us to meet our needs while embracing the sustainability values that modern sport must promote. We are confident this will be a winning partnership".*

*"We are proud to partner with FIDAL and support the excellence of Italian athletics", said **Roberto Sportiello, CEO of Drivalia**. "This partnership is more than a commercial agreement — it is the sharing of such core values as determination, pushing beyond limits, and team spirit. Athletics embodies pure energy and constant commitment to the future, the same principles that guide our mission to promote sustainable mobility. Making our fleet available to the Federation is our way of running together toward a shared goal of innovation and responsibility."*

FIDAL

The Italian Athletics Federation (FIDAL) is a non-profit association organized as a private legal entity, composed of all sports clubs and associations that practice athletics in Italy. It is guided by the principles of democracy, participation, equality, and equal opportunities. FIDAL promotes, organizes, regulates, and disseminates athletics in accordance with the guidelines of the Italian National Olympic Committee (CONI), to which it is affiliated, the International Olympic Committee (IOC), and World Athletics, the highest international governing body for the sport. Within the scope of its authority, FIDAL exclusively authorizes and oversees all athletics events held in Italy.
